All skin care treatments are used with Rhonda Allison's skincare line. Rhonda Allison uses the best of active natural ingredients with highly beneficial, scientifically developed compounds to create a synergy of superior professional treatments. The customized home care products will transform the condition of your skin.

Amanda Phelps is a Licensed Aesthetician for Envision Eye & Aesthetics. She also has more than three years of experience working alongside Dr. Whipple in oculoplastics surgery.

Amanda's expertise includes skincare, brow shaping, hair removal, makeup and lash extensions. Not only will your visit with her be aimed toward the results that you want but she also provides an educational experience to help you maintain your results at home.

AESTHETIC TREATMENTS

These are medical grade treatments, therefore no gratuity is necessary.
